Scenic route, approx. 17 minutes

Exit the station through the Aire Street exit (follow signs for short stay carpark, exit between Starbucks and Wetherspoons) and cross the road, walking straight across the circular cobbled area (in front of the Princes Exchange building). Walk 100 metres and descend the staircase to walk along the path, with the river on your left until you reach a white pedestrian bridge. Cross the bridge and turn right along the canal towpath for until you reach the first footbridge (St Anne's Lock). Cross the bridge and turn right, then go through the gate on your left, up the stairs, across the carpark and turn right. IVE HQ is the large semi-circular building on the right before you reach the A58, through the large grey iron gates.

Please note, if the gate from the canal is locked, please call 0113 322 3050 and we can give you the code.
